

WELCOME MESSAGE FROM THE WORKSHOP COMMITTEE

Ladies and Gentlemen,

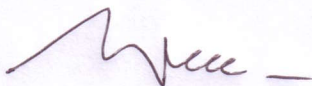

On behalf of the event organizers of the First International Workshop on Modern Research Methods in Electrical Engineering (IWoRMEE) 2009, it is our great honor and pleasure to welcome you all to Makassar City, South Sulawesi Province, Indonesia. We truly believe that your participation on this workshop is very important and meaningful for the continuity of the similar events in the future.

The First International Workshop on Modern Research Methods in Electrical Engineering (IWoRMEE) 2009 will be held in Makassar, Indonesia starting from 3-6 August 2009. This workshop is organized by Department of Electrical Engineering, Faculty of Engineering, Hasanuddin University. In general, the workshop consists of two sequential events i.e. one day international seminar and three days workshop related to the modern research methods in Electrical Engineering. This workshop aims to inform researchers and industry partners about the latest methods of scientific research as applied to the field of Electrical Engineering.

The hard working and mutual cooperation from all the workshop committee has come up with the excellent technical-session contents and scheduling. On behalf of the organizing committee, I sincerely thank to all the committee members for this praise-worthy work.

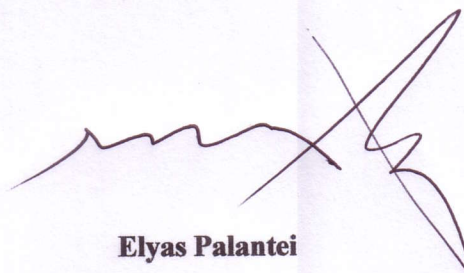

Makassar, the City of Great Expectations, with its unique and beautiful culture and environment, offers you all you need for a very pleasant time during the workshop. I am hoping all the participants will have enjoyable and memorable time during in Makassar.

Welcome to IWoRMEE 2009 at "Angin Mammiri City", Makassar.

Nadjamuddin Harun

Chairman of the Steering Committee

Elyas Palantei

Chairman of the Organizing Committee
