

Curriculum Vitae

Eko Tjipto Rahardjo, PhD. was born in Pati, Indonesia, on April 22, 1958. He received the Ir. Degree from the Universitas Indonesia, Jakarta in 1981, the MS degree from the University of Hawaii at Manoa, Honolulu in 1987, and the PhD. degree from the Saitama University, Urawa in 1996, all in electrical engineering.

He joined to the Department of Electrical Engineering Universitas Indonesia since 1982 as a teaching assistant. Since 2005 he has been appointed as Professor in electrical engineering Universitas Indonesia.

He has been Head of Electrical Engineering Department, Universitas Indonesia (2004 – 2008). He also served as Executive Director of the Quality Undergraduate Education (QUE) in the Department of Electrical Engineering Universitas Indonesia (1999 – 2004), and served as Head of Telecommunication Laboratory Universitas Indonesia (1997 – 2004). Since 2003, he has been Director of the Center for Information and Communication Engineering Research (CICER), Universitas Indonesia as well as Antenna propagation and Microwave Research Group (AMRG) leader.

His research interests include antenna engineering, wave propagation, microwave circuits and communication system and regulations. He has been published and presented more than hundred research papers both national and international.

He has been recipient of the Indonesian government scholarship through MUCIA (1984 – 1987); the Hitachi Scholarship (1992 – 1996); and the Young Researcher's Award from the Universitas Indonesia (1996).

Dr. Rahardjo is members of IEEE Antenna and Propagation Society (AP-S), IEEE Microwave Theory and Technique Society (MTT-S), IEICE Japan and IECI Indonesia. In 2009 he is also serving as Chairman of IEEE Joint Chapter AP-S/MTT-S of IEEE Indonesia Section.
