Perihal : Mengundang Tenaga ahli / National Expert
RECP Programme

Kepada Yth:

Bapak/Ibu
Kepala Puslitbang-LH
Universitas Hasanuddin Makassar

Dalam rangka implementasi Program RECP di Indonesia yang dilaksanakan oleh United Nations Industrial Development Organization (UNIDO) bekerjasama dengan Kementerian Lingkungan Hidup dan Kementerian Perindustrian dengan didanai dari Pemerintah Swiss. Selanjutnya Centre for Resource Efficient and Cleaner Production Indonesia (CRECPI) yang berkedudukan di ITB selaku pelaksana program akan menerapkan RECP di Kawasan Industri PT KIMA Makassar di bulan September 2014. Rangkaian kegiatannya adalah Training dan Demonstrasi/Pilot Project Penerapan Penghematan Sumberdaya dan Produksi Bersih (RECP) dan selanjutnya dilakukan tahap replikasi.

Demonstrasi ke kawasan Industri PT KIMA Makassar akan mengidentifikasi seluruh proses, sehingga akan mendapat keuntungan dari kesempatan penghematan penggunaan Sumber daya alam (Bahan baku, air dan energi), minimisasi limbah dan emisi serta pengurangan resiko penggunaan bahan kimia di Industri (www.unido.org/cp).

Demonstrasi ke kawasan Industri PT KIMA Makassar akan melibatkan tim ahli RECP dan berkolaborasi dengan National Expert yang berpengalaman (seperti tim konsultan dan peneliti dari BPPT, Universitas, Balai-balai besar di bawah Kemenprin, dsb) serta melibatkan tim internal dari perwakilan perusahaan.

Bersamaan dengan ini, maka kami berencana mencari beberapa National Expert diinstansi Bapak/Ibu pimpin. Untuk lebih detailnya dapat dilihat pada lampiran dan dapat mengisi form confirmation bagi kandidat yang akan diikuti sertakan, serta mengirimkan balik beserta CV melalui email. Apabila ada hal yang ingin ditanyakan atau didiskusikan dapat menghubungi Bpk. Moch.Iqbal selaku National RECP Programme Manager di crecpi@crecpi.itb.ac.id atau 0812 800 1721 / 0877 8281 2451. Atas perhatian dan kerjasamanya saya ucapkan Terima Kasih.

Mengetahui,

Prof. Tjandra Setiadi, Ph.D
Direktur CRECPI – ITB

Call for Expressions of Interest

National Resource Efficient and Cleaner Production Programme – Indonesia

National Experts

Resource Efficient and Cleaner Production (RECP)

The National Resource Efficient and Cleaner Production Programme (NCPPI) in Indonesia is calling for expressions of interest from suitably qualified Indonesian nationals for participation in a combined training and demonstration programme in Resource Efficient and Cleaner Production (RECP).

The Programme will start a training and demonstration programme in August or Sept 2014 targeting Makassar region (all sectors). Participants will receive training in international best practice methods and practices for conducting RECP assessments in enterprises and other organizations. Moreover, suitably qualified training participants will be offered an opportunity to undertake under the guidance of international and national experts RECP assessments in nominated companies from nominated sectors and region. Upon successful completion of such RECP assessments, trainees would qualify for the UNIDO Cleaner Production Award for experts.

The Indonesian RECP Programme is implemented by the United Nations Industrial Development Organization (UNIDO) in partnership with the Ministry of Environment and the Ministry of Industry with funding support from the Government of Switzerland. It is aimed at fostering the uptake of Resource Efficient and Cleaner Production (RECP) methods, practices, technologies and policies, through capacity building, industry demonstrations and policy advice. RECP is based on the application of preventive environmental management and total productivity concepts to manufacturing and other sectors, in order to achieve efficient use of natural resources (materials, water and energy), minimization of the generation of wastes and emissions and reduction of chemical and industrial risks (www.unido.org/cp).

Training participants should have a demonstrable knowledge and experience in process and/or environmental engineering and business management and be familiar with the operation of the business sector in Indonesia. English proficiency at professional level is highly desired. Expressions of interest, including brief professional profile or CV, should be forwarded to Mr. Mochammad Iqbal, National Programme Manager at crecpi@crecpi.itb.ac.id / iqbalmoch2@gmail.com.
