

**DIGITAL TALENT SCHOLARSHIP 2018**

October 1, 2018

**LETTER OF RECOMMENDATION**

To Whom It May Concern:

**Ms. Herviana, S.T.** has asked that I prepare this official Letter of Recommendation to support her intention to apply for her participation in the **DIGITAL TALENT SCHOLARSHIP 2018**.

Six years ago, Ms. Herviana completed her first degree (*Sarjana Teknik, S.T.*) in the Department of Electrical Engineering, Hasanuddin University, Makassar INDONESIA, where I myself have been with since 1983. She was one of my best students. Ms. Herviana took all of my classes, mostly in Electronics, Automatic Control and Linear Systems area. As I remember it, she always received excellent grades for her test-results, examination and class-papers. She graduated with a cumulative GPA of **3.70** out of **4.00**, which is almost perfect. Her final undergraduate project was a sensor system application for the supermarket stock management.

Before and after her graduation, Ms. Herviana has been helping me as my assistant to grade almost all my students' examination-papers and class-papers. She has done a perfect job; I have almost never received any complaint from students whose papers were graded by Ms. Herviana. This indicates that she is very accurate in doing her job. I also admire her ability to work hard, her strong motivation to learn and her competence in her field. I observed that she has no difficulty what so ever to work together with her colleagues, where in most cases she was – in fact - acting as their leader. During her tenure as a student, she was involved in many student organizations and activities, both in and off campus. She is currently the Vice President of an international youth organization named AIESEC. I am very proud of this young woman, and I am very happy to hear that she has planned to participate in the **DIGITAL TALENT SCHOLARSHIP 2018**, especially in the area of *artificial intelligence* that she is interested in.

Should you wish to get any further information, please feel free to contact me, and I will be more than happy to respond to your inquiries.

With kindest regards,

Dr. Ir. H. Rhiza S. Sadjad, M.S.E.E.
