## LETTER OF RECOMMENDATION

To Whom It May Concern:

**Ms. Muhaimin Hading** has asked that I prepare this official Letter of Recommendation to support her intention to apply for her participation in the **Peace Conference of Youth (PCY) 2013** in **Osaka, Japan**, organized by the **Junior Chamber International** (JCI) Osaka. I do so with great enthusiasm.

About two years ago in 2009, Ms. Hading enrolled to the Informatic Engineering Study-Program to pursue her first degree (*Sarjana Teknik*, S.T.) in the Department of Electrical Engineering, Hasanuddin University, Makassar INDONESIA, where I myself have been with since 1983. Now Ms. Hading is one of my best students. She has taken all of my classes in the field of Engineering Mathematics and Numerical Methods. She is clearly one of my straight A students. Her cumulative GPA up to the current semester is **3.64** out of **4.00**, which she really deserves.

Ms. Hading has recently sent me her academic transcript and curriculum vitae, showing me her excellent achievement as a student, both academically and socially. She has been involved in many extracurricular activities, especially those related to the field of study she is majoring at our department. Last year she was elected to participate in the *Japanese Short-term In Session Program (J-SHIP)* for an Autumn Course in Osaka University, Japan, from October to December 2012.

I am very proud of this young lady, and I am very happy to hear that she has applied for a youth conference in Japan. The program will certainly enhance her experience both academically and professionally. I have been so thoroughly impressed by Ms. Hading's academic competence in her field, and that she showed a great interest to experience living in another country, I strongly believe that she will participate in the program without any difficulty what so ever.

Should you wish to get any further information, please feel free to contact me, and I will be happy to respond to your inquiries.

With kindest regards,

H. Rhiza S. Sadjad, Ir., M.S.E.E., Ph.D.
