LETTER OF RECOMMENDATION

To Whom It May Concern:

Ms. Vivian Isabella Karurukan, S.T. has asked that I prepare this official Letter of Recommendation to support her intention to continue her study to pursue a Masters Degree in Electrical Engineering or other related fields of study. I do so with great enthusiasm.

Ms. Vivian Isabella Karurukan has just recently completed her first degree in the Department of Electrical Engineering, Hasanuddin University, Makassar, INDONESIA, where I myself have been with since 1983. She was one of the best students; with the GPA of **3.54** out of **4.00**. Her undergraduate final project was on a control system design. She built a remote control system for an automatic gate.

During her tenure as my student from 2007 to 2011, she took almost all my classes in the area of Automatic Control Systems. She always made excellent grades. She also participated in several seminars and trainings on new technologies, such as robotics, web design, etc.

I have been so thoroughly impressed by Ms. Vivian Isabella Karurukan's personality as well as her technical competence in her field, and that she shows a strong motivation to continue her study and to seek knowledge, I wholeheartedly recommend her for any opportunity to pursue a higher degree program in her field.

Should you wish any further information, please feel free to contact me, and I will gladly respond to your inquiries.

Sincerely Yours,

Dr. Ir. H. Rhiza S. Sadjad, M.S.E.E.
