

REGULATION OF THE RECTOR OF UNIVERSITAS HASANUDDIN

NUMBER: 7/UN4.1/2019

CONCERNING

THE IMPLEMENTATION OF SPECIALIST PROGRAM

AT UNIVERSITAS HASANUDDIN

BY THE BLESSING OF ALMIGHTY GOD

RECTOR OF UNIVERSITAS HASANUDDIN

Considering : a. that according to Article 2, paragraph (4) of the Regulation of the Government of the Republic of Indonesia Number 53 of 2015 on the Statute of Universitas Hasanuddin, the implementation of the Specialist Program aims to produce distinguished scholars;

b. that to ensure the implementation of the curriculum of Specialist Program runs effectively and efficiently as stipulated in the Regulations of the Academic Senate of Universitas Hasanuddin on Education Policy, Universitas Hasanuddin, it is necessary to enact a Rector's Decree concerning the implementation of the Specialist Program of Universitas Hasanuddin.

Bearing in mind : 1. Acts Number 20 of 2003 on National Education System;

2. Acts 12 of 2012 on Higher Education;

3. Acts Number 20 of 2013 on Medical Education;

4. Presidential Decree Number 8 of 2012 on Indonesian Qualification Framework;

5. The Indonesian Government Regulation Number

53 of 2015 on the Statute of Universitas Hasanuddin.

6. Government Regulation Number 93 of 2015 On University Hospital;
7. Regulation of the Minister of Education and Culture of Republic of Indonesia Number 73 of 2013 on the Implementation of the Indonesian National Qualifications Framework on Higher Education;
8. Decree of the Minister of Research, Technology and Higher Education Number 50 of 2018 on National Standard of Higher Education;
9. Ministerial Decree of the Minister of Research, Technology and Higher Education Number 18 of 2018 on National Standard of Medical Education;
10. The regulations of the Academic Senate of Universitas Hasanuddin Number 50850/UN4/PP.42/2016 on Education Policy at Universitas Hasanuddin;
11. The regulations of the Academic Senate of Universitas Hasanuddin Number 46929/UN.4/IT.03/2016 on the Policy regarding the Development of the Curriculum of the Study Program at Universitas Hasanuddin;
12. Decree of Rector Number 4843/H4/O/2010 on May 3rd, 2010 on the Development Plan of Universitas Hasanuddin in 2030;
13. Regulation of Rector Number 36621/UN4.1/PP.37/2017 on Students Admissions at Unhas;
14. Rector's regulation Number

36620/UN4.1/PP.39/2017 on Supervising Final
Project of Unhas Students.

Observing : Minutes of the Meeting of Commission I of Universitas
Hasanuddin Academic Senate on March 15, 2018
concerning the Regulations of Implementation of the
Specialist Program at Universitas Hasanuddin.

HEREBY DECREES

To enact : **REGULATIONS OF THE IMPLEMENTATION OF
SPECIALIST PROGRAM AT UNIVERSITAS
HASANUDDIN**

CHAPTER I GENERAL PROVISIONS

Article 1

In this regulation, the following definition shall apply:

1. Universitas Hasanuddin hereinafter referred to as Unhas is a legal entity state university.
2. A rector is the head official of Unhas which leads the implementation and management of Unhas.
3. A dean is the head of faculty or school in Unhas who is authorized and responsible for the implementation of education in each faculty or school.
4. A faculty senate is the element that performs the function of consideration and supervision of academic affairs at the faculty level.

5. The Study Program is the integrated study plan as guides to the implementation of academic education and/or profession that is organized on the basis of a curriculum.
6. A specialist program is a tertiary education as a continuation of profession education aiming to the complete mastery of the profession in a particular field based on considerable academic skills.
7. The first-year student is a student who enrolls for the first time in the Specialist Program of Universitas Hasanuddin as stated on Rector's Decree.
8. The academic calendar is a schedule of annual academic activities of Universitas Hasanuddin as stated on Rector's decree.
9. The tuition fee is the education payment paid by the Specialist program students of Unhas on each semester and the amount is specified at the Rector's Decree.
10. Competency is the ability to think, behave, and act consistently as an embodiment of knowledge, attitudes, and skills possessed by the students.
11. Semester Credit system is the provision of education by using the Semester Credit Units (credits) to indicate the student's study load, faculty workload, learning experience, and the education program workload.
12. Semester is a unit of the effective learning time for at least 16 (sixteen) weeks, including the midterm and the final exam of the semester.
13. Semester Credit units (credits) is a quantity of learning activity time imposed to students each week and each semester in a learning process through different types of learning activities as success recognition in curricular activities in a study program.
14. Semester Course Guidelines (RPS) of a course is a study plan arranged for learning activities during one semester in order to meet the graduates' learning outcomes which are charged on a course
15. The department is one Section in a faculty which supports the organization of academic activities in one or several fields of science

and technology.

16. The course/course block is the whole unit lessons with semester credit unit load and is listed in the curriculum of the study program.
17. Course Plan Sheet (KRS) is a list of courses programmed during the current semester.
18. Course Report Sheet (KHS) is a list of the grades obtained by the students as learning outcomes in each semester.
19. Administrative registration is the payment of the tuition fees as regulated in the effective stipulations in Unhas.
20. Academic registration is the filling and ratification of students' Course selection form through the System of Information Management (SIM) Unhas.
21. Semester grade point average (IPS) is the students' scores of academic achievements which are calculated by multiplying the number of credit hours assigned to a course by the score of the grade earned in that semester.
22. Cumulative Grade Point Average (CGPA) is the student academic learning outcome calculated by multiplying learning outcome grades with credit load and dividing it with the overall programmed credits within the active learning progress.
23. Dropped out students are those who are not able to meet academic or non-academic requirements in accordance with the applicable provision.
24. Force majeure is an unavoidable natural occurrence in connection with the student condition preventing the student from continuing academic activity.
25. The academic transcript is a list containing the learning outcomes and the achievement of all the courses taken during the Specialist program.
26. A final writing project indicating the results of the studies and or research carried out independently under the guidance of the supervisor is the final task of Specialist program students.
27. Research is an activity conducted according to scientific principles and methods in a systematic way to obtain information, data and

explanation related to the understanding and/or examining a branch of knowledge and technology.

28. Indonesian Qualification Framework (IQF) is a classification framework of competence and qualification which pairs, submits, and integrates between education and training sectors as well as job experiences to acquire the work competency which are compatible with the structure of the workers in the various sectors.

CHAPTER II

OBJECTIVE OF SPECIALIST PROGRAM

Article 2

To nurture scholars with in-depth knowledge and skills specific to a particular field in accordance with the Level 8 (eight) for the specialist one (1) and level 9 (nine) for specialist 2 (two) in the Indonesian Qualification Framework (IQF) and in line with the National Standard of Higher Education (SN-DIKTI).

Article 3

Specialist program level 2 (two) can be implemented through the education and the collegium.

CHAPTER III

STUDENT ADMISSION

Article 4

The student admission for the Specialist Program shall refer to the Rector Regulation concerning the New Student Admission of Universitas Hasanudddin.

CHAPTER IV
THE TUITION FEE
Article 5

- (1) Each student of Specialist program is obliged to pay the tuition fee before filling the online course selection form for the following semester.
- (2) The payment of the tuition fee is made in host-to-host system through Automatic Teller Machine (ATM) or the tellers in the appointed bank.
- (3) Students who are not able to complete their studies at the end of the semester based on the Academic Calendar, is obliged to pay the tuition fee for the following semester.
- (4) Students who do not re-register for one semester and intend to continue their studies in the next semester are required to pay arrears for the semester that is not followed.
- (5) Students referred to in paragraph (4) must go through a verification process at the Bureau of Academic Administration before paying the arrears.
- (6) Students who are not active or do not pay the tuition fee of two consecutive semesters labelled Drop Out.
- (7) The amount and type of the tuition fee is regulated on the Rector's decree.

CHAPTER V
EDUCATION PROCESS
Section One

The Implementation of Academic Activities

Article 6

- (1) The implementation of academic activities of the Specialist Program is divided into 2 (two) semesters each year, in accordance with the

Academic Calendar.

- (2) The academic activities of the Specialist program include lectures, clinical practice, clinical skills lab, seminars, research, scientific publication, and final writing project.
- (3) Foreign students applied for Specialist program are obliged to comply with the regulations set by the Indonesian Medical Council.

Section Two

Curriculum and Study Period

Article 7

- (1) The curriculum of the Specialist program is designed to support the achievement of the aim of the Specialist program as stated in Article 2.
- (2) The curriculum of the Specialist program is proposed by the Dean to the Rector after a thorough evaluation by the Board of the Quality Assurance of the Faculty and get the consideration of the Faculty Senate.
- (3) The curriculum of the Specialist Program is established on a Decree of the Rector after having been reviewed by the work unit assigned by the Rector.
- (4) The curriculum is reviewed every 4 (four) years to make it relevant with the needs and development of science, technology, art, and culture.
- (5) The study load of the Specialist program students is minimum 36 (thirty-six) credits.
- (6) Specialist program students must publish articles in a reputable international journals or accredited national journal.
- (7) Specialist program students must arrange a study plan comprising the entire courses or a series of academic activities that will be undertaken during the Specialist program and have to be signed by the academic advisor, the head of the Study program, and the Dean.

- (8) Specialist program students' study plan must be submitted to the Sub-Section of the Academic Faculty and to the Bureau of Academic Administration of Unhas on each semester.

Section Three

Study Period

Article 8

- (1) The study period of the Specialist Doctor program 1 (PPDS 1) is minimum 7 (seven) semesters.
- (2) The study period of the Specialist Dentistry Education Program 1 (PPDGS 1) is minimum 6 (six) semesters.
- (3) The study period of the Specialist Doctor program 2 (PPDS 2) is minimum 4 (four) semesters.
- (4) The study period of the Specialist Dentistry Education Program 2 (PPDGS 2) is minimum 4 (four) semesters.
- (5) The study period as referred to in paragraph (1) and paragraph (2) is scheduled a maximum of fifteen (15) semesters for RESIDENTS and 13 (thirteen) semesters for the PPDGS.
- (6) The study period of the other Specialist programs refers to the regulations of the applicable legislation.

Section Four

The Re-registration of New Students

Article 9

- (1) The results of new students' admission are stipulated by the Rector Decree and are announced in online platforms.
- (2) Prospective students who pass the enrollment test must re-register according to the stated schedule.
- (3) Prospective students must go through the process of verification and the validity of the required documents for new students.

Section Five
Re-Registration of Old Students
Article 10

- (1) Each student must re-register in both administrative and academic registrations to be recognized as an active student and be able to participate in all academic activities.
- (2) The student is recognized as a legitimate participant in a course if the course is programmed at the course plan sheet (KRS) of the related semester.
- (3) The KRS must be signed by the academic advisor, the Head of the Study Program (KPS), and approved by the Dean of the Faculty.

Section Six
Course Withdrawal from All Courses
Article 11

- (1) The withdrawal of the entire programmed course can be carried out in the case of *force majeure*.
- (2) The withdrawal application as referred to in paragraph (1) must be approved by the academic advisor through the head of the Study program and the Dean of the Faculty and submitted in a written form to the Bureau of Academic Administration no later than one month before the end of the semester, or according to the schedule set in the Academic Calendar.
- (3) Students who withdraw all courses in the current semester for a reason as mentioned in paragraph (1), then the semester is not considered in a study period.
- (4) The withdrawal of the entire subjects referred to in paragraph (1) can only be made once (1) during the study period.

- (5) Scholarship recipients intended to withdraw all courses are obliged to obtain an approval from the scholarship granting institution.
- (6) The resignation of the entire course for students under cooperation scheme is mandatory to get approval from the assigned institution.

Section Seven
Academic Leave
Article 12

- (1) Academic leave for one (1) semester is only given to the students with a maximum of 1 (one) time during the study period.
- (2) The leave referred to in paragraph (1) cannot be made consecutively with the withdrawal of the entire course as referred to in Article 11.
- (3) The academic leave is not permitted on the first and second semester.
- (4) Scholarship recipients are not allowed to take academic leave unless stipulated in a cooperation agreement.
- (5) Students under cooperation scheme are not allowed to take academic leave, unless otherwise stipulated in a cooperation agreement.
- (6) During the academic leave, students are not allowed to participate in any forms of academic activities.
- (7) The application for the academic leave must obtain the approval from the academic supervisor, submitted in a writing form to the Bureau of Academic Administration through the head of the Study program and the Dean of the Faculty no later than 1 (one) week before the first day of the current semester.
- (8) The academic leave period is not included in the period of study.
- (9) Students who are taking an academic leave are not subject to the tuition fee.

Section Eight
Course Implementation
Article 13

- (1) The broadness and depth of the subject matter of the course should support the achievement of the aim of Specialist program as mentioned in Article 2.
- (2) The presentation/organization of learning of a course/course block can only be held when it is scheduled in the current semester and is attended by students who have it on their course plan sheet.
- (3) Students are only allowed to attend the courses that have been programmed on their course selection form.
- (4) Each course can be taught of by one or more lecturers in accordance with their areas of expertise as proposed by the head of the study program and stipulated in the decree of the Dean of the Faculty.
- (5) Lecturers must have relevant field of study and have gained a doctoral degree, or have compatible professional certificates and are highly qualified Specialists with at least 5 (Five) years working experience and are at the KKN Level 9 (nine).
- (6) The coordinator of the course lecturers should have a relevant field of study, be doctoral program graduates or counselor, and at least have a functional position as an assistant professor.
- (7) Each course must have a Semester Course Plans (RPS).
- (8) Lecturer or lecturer team must submit the RPS and the lecture code of conduct to the students at the beginning of the lecture.
- (9) The implementation of the lectures of a course can only be made if attended by at least 5 (five) participants, unless it is permitted by the Dean of the Faculty.
- (10) The evaluation of the implementation of the lectures is conducted by the Quality Assurance of the Faculty and the unit appointed by the Rector.
- (11) The deadline for the online submission of the learning outcomes is through Unhas SIM carried out in conjunction with the Academic Calendar.

Section Nine
The Appointment of Supervisor
Article 14

The appointment of the primary and the secondary supervisors refers to the Rector's Regulation on Supervising of Final Project of Unhas Students.

Section Ten
Research Proposal Seminar
Article 15

- (1) Research proposal seminar for Specialist 1 program students is carried out no later than in the 3rd semester.
- (2) The approval of the research proposal seminar is signed by the Dean of Faculty after fulfilling the following requirements:
 - a. active students; and
 - b. the research proposal has obtained the approval from the primary supervisor and the secondary supervisor.
- (3) The research proposal seminar is attended by 5 (five) assessors including the primary and the secondary supervisors as well as 3 (three) lecturers who are experts on the courses they lecture and are doctoral graduates, or possess a lecturer certificate and are qualified at the level 9 (nine) of KKNi.
- (4) The committee of research proposal seminar consist of the assessors of the research proposal and the primary supervisor as the chief of the committee.
- (5) The committee of research proposal seminar is proposed by the head of Study program and approved by the Dean of the Faculty.
- (6) As For students who do not pass the seminar, they are required to repeat the seminar no later than 2 (two) months after the first seminar.
- (7) If they do not carry out the seminar as referred to in paragraph (6), except for a force majeure reason, or do not pass the second

seminar, they are labelled as dropped-out students;

- (8) Seminar on research proposal is conducted no more than 120 minutes.
- (9) The results of the research proposal seminar are set by the assessors of the research proposal seminar as stated on the minutes of hearing.

Section Eleven

Research

Article 16

- (1) Specialist program students have to carry out the research in accordance with the proposal that has been approved by the primary and the secondary supervisors and has been presented in the seminar.
- (2) The research can be carried out both inside and outside the Campus environment of Unhas and must be under the guidance of the primary and the secondary supervisors.
- (3) The research and the final project must be monitored and evaluated by the primary supervisor.
- (4) The process of supervising the research must be conducted in a structured system within the area of Unhas, at least 8 (eight) times, and shall be recorded in the log book and / or in the SIM of Unhas.

Section Twelve

Research Result Seminar

Article 17

- (1) Specialist program students must conduct a research result seminar (Thesis).
- (2) The requirements of conducting a research result seminar (Thesis) are as follows:
 - a. registered as an active student;
 - b. the manuscript of final academic project must be approved by the

- primary and the secondary supervisors;
- c. pass all courses listed on the course selection card with a GPA of at least 3.00, excluding the score obtained on the research seminar;
 - d. have a TOEFL score of at least 450 held by the Language Center of Unhas; and
 - e. have attended minimum 5 research seminars conducted in the Specialist Program.
- (3) The research (thesis) seminar is attended by 5 (five) assessors including the primary and the secondary supervisors as well as 3 (three) examiners as stipulated on Chapter 15 Article (3)
 - (4) The committee of research (thesis) seminar consist of the assessors of the research seminar and the primary supervisor as the chief of the committee.
 - (5) The committee of the research (thesis) seminar is proposed by the head of the Study program and approved by the Dean of the Faculty.
 - (6) As for students who do not pass the research seminar, they are obliged to repeat it in the period of 2 (two) months.
 - (7) If within the period referred to in paragraph (6) the students fail to carry out the research seminar except for the force majeure condition or do not pass on the second seminar, they are labelled as dropped out students.
 - (8) The research (thesis) seminar is conducted no more than 120 minutes.
 - (9) The results of the research (thesis) seminar are set by the assessors of the research seminar as stated on the minutes of hearing.
 - (10) The results of the research seminar that have been approved by the supervisor and examiner are written in the form of a thesis.

Section Thirteen

The Final Exam

Article 18

- (1) The final examination of the Specialist program is carried out with the aim of assessing students' abilities in mastering knowledge comprehensively.
- (2) The requirements to take the final examination are as follows:
 - a. registered as an active student;
 - b. submitting a proof of an accepted article in a reputable international journal or an accredited national journal.
 - c. the final examination has obtained the approval from the primary and the secondary supervisors;
 - d. obtaining the letter of approval from the head of the study program and the Dean of the Faculty; and
 - e. obtaining a permit of the final examination from the Bureau of Academic Administration.
- (3) The final examination requires 5 (five) assessors consisting the chairman of the examiners and 4 (four) other examiners, in accordance with article 13 paragraph (5).
- (4) The final exam can only be implemented if it:
 - a. is attended by at least 4 (four) examiners, the Chairman of the Examiners must be present; and
 - b. is held in the Unhas and led by the Chairman of the Examiners.
- (5) The committee of the final examination is proposed by the head of Study program and approved by the Dean of the Faculty.
- (6) The final examination is closed and carried out orally.
- (7) As for students who do not pass the final examination, they are obliged to retake it in the period of 2 (two) months.
- (8) If within the period referred to in paragraph (7) the students fail to carry out the final examination except for the force majeure condition or do not pass on the retake final examination, they are labelled as dropped out students.

- (9) The final examination is conducted no more than 150 minutes.
- (10) The results of the final examination are announced by the assessors as stated on the minutes of hearing.

CHAPTER VI

STUDENT STATUS

Article 19

- (1) The status of the Specialist program students consists of active and non-active.
- (2) The active students referred to in paragraph (1) are those who are registered administratively and academically.
- (3) Non-active students referred to in paragraph (1) are those who:
 - a. have not completed administrative and academic registration;
 - b. are taking an academic leave;
 - c. are being suspended
 - d. are withdrawn from all courses;
- (4) A period of inactivity as stipulated in paragraph (3) point a and c is included in the calculation of the period of study.

CHAPTER VII

EVALUATION OF LEARNING OUTCOMES

Article 20

- (1) The evaluation of offline courses of the Specialist Program is conducted with the following requirements:
 - a. Students participating in the course are active students;

- b. Lecturer has fully implemented the face-to-face plan at the RPS; and.
 - c. Students have fully participated in the learning activities.
- (2) The evaluation of students learning outcomes is carried out in accordance with the semester course plans.
- (3) The grade of the learning outcomes is written in letter grades with the conversion written in numbers:

Numerical Range Grade	Letter Grade	Conversion
85 – 100	A	4.00
80 - < 85	A-	3.75
75 - < 80	B+	3.50
70 - < 75	B	3.00
65 - < 70	B-	2.75
00 - < 65	E	0.00

- (4) The A to B- grade is in the category of pass, while the E grade is of no pass.
- (5) The M (Satisfactory) grade may be given at the end of the semester for the progressing courses programmed in the Course Selection Form in the ongoing semester.
- (6) The M grade can be converted into a grade as referred to in Paragraph (3) in the following semester if it already has been scored of the learning outcomes.
- (7) The M grade is not included in the calculation of the Semester GPA (IPS),
- (8) The assessment of learning outcomes must be reported to the SIM of Unhas following the schedule in the Academic Calendar.

CHAPTER VIII
ACADEMIC PERFORMANCE INDEX
Article 21

- (1) The learning success of the students is stated by the Index of performance (IP).
- (2) The Semester performance Index (IPS) is calculated from the score conversion and the weight of the credits each course listed in the course selection form with the following formula:

$$IPS = \frac{\sum (N_i \times K_i)}{\sum K_i}$$

where:

K_i = the order of semester credit study load in one semester

N_i = the quality score after the equalizing scores to the course conversion value

- (3) Grade Point Average (GPA) is calculated from all the scores of the courses passed by the students by using the formula referred to in paragraph (2).
- (4) Semester Performance Index and Grade point average as referred to in paragraph (2) and (3) above must be enclosed in the course results form.

CHAPTER IX
THE SUBMISSION OF SCORE OF THE LEARNING OUTCOMES
Article 22

- (1) Coordinator lecturer for each course must upload the final score of the learning outcomes of all students participating in the course to SIM Unhas on-line as scheduled in the Academic Calendar.
- (2) If the score referred to in paragraph (1) is not submitted according to the specified schedule, SIM Unhas will convert B+ (B plus) to all students participating in the course.
- (3) Students may raise objections to the Head of the study program regarding the results of the assessment referred to in paragraph (2), if they obtain A grade for the whole courses in the progressing semester.
- (4) The Head of the Study program will verify the student's objection as referred to in paragraph (3).
- (5) The final score obtained from the results of the verification shall be final and delivered to the faculty to be forwarded to the Bureau of Academic Administration for having it uploaded in SIM Unhas.
- (6) Lecturers or a team of lecturers who are neglectful in submitting the students' score according to the Academic Calendar are subject to sanctions in accordance with applicable regulations.

CHAPTER X
THE MECHANISM OF RAISING AN OBJECTION
TO THE SCORE OF THE LEARNING OUTCOMES
Article 23

- (1) Students may raise an objection to the given score of the learning outcomes obtained in the semester.

- (2) The mechanism of raising an objection regarding the students' score of the learning outcomes referred to in paragraph (1) refers to the Rector's Decree.

CHAPTER XI

REQUIREMENTS AND PREDICATE OF GRADUATION

Part One

The Graduation Requirements

Article 24

- (1) Have passed all credits (sks) stated in the curriculum of the study program.
- (2) Have completed all administrative requirements as required by the study program, Faculty, and Universitas Hasanuddin.
- (3) Have submitted the specialist brevet and alumni registration number.

Part Two

The Predicate of Graduation

Article 25

- (1) The graduation predicate consists of 3 (three) levels such as satisfactory, highly satisfactory, and with honors and shall be stated in the academic transcript.
- (2) Graduation predicate referred to in paragraph (1) is based on the GPA as follows:

- a. GPA 3.00 – 3.50: satisfactory;
 - b. GPA 3.51 – 3.85: highly satisfactory; and
 - c. GPA 3.86 – 4.00: with honor or cum laude.
- (3) The honor predicate as referred to in paragraph (2) point c is awarded if the students obtain an A for the final examination with the study period accepted in Specialist program and have published minimum one (1) article in a reputable international journal.
- (4) If the requirements referred to in paragraph (3) are not fulfilled, the predicate of the graduation is at a highly satisfactory predicate.

CHAPTER XIV

LEARNING ACHIEVEMENT

Article 26

- (1) A Specialist program student's learning achievement index (IPB) is calculated by the following formula:

$$IPB = \frac{W}{M} \times IPK$$

where:

IPB = learning achievement index

W = normal time of completion of the study according to the curriculum of a study program in the units of months;

M = the period spent to complete study (in months, rounded up).

IPK = grade point average.

- (2) The best graduate of the Specialist Program at the level of Faculty/Unhas is a graduate who obtains the highest IPB score in the period of the graduation ceremony.

CHAPTER XIII

DROP OUT

Article 27

- (1) Students are stated Drop Out, as referred to in Article 5 paragraph (6), Article 15 subsection (7), Article 17 subsection (7), and Article 18 subsection (8), if they:
- resign at his own request
 - get an E mark on one of the courses
 - are expelled due to a criminal act; and
 - violate the regulations set by the government and/or Unhas.
- (2) A drop out status is enacted in a Rector's decree.

CHAPTER XIV

THESIS, CERTIFICATE, TRANSCRIPT, TITLE, AND GRADUATION

Part One

Thesis

Article 28

- (1) The student's thesis is signed by the primary and the secondary supervisors, the Head of the Study Program, and the Dean of the Faculty.

- (2) The abstract of the thesis must be uploaded into the repository system of Unhas by the students themselves.
- (3) The student must ensure that the thesis is not a product of plagiarism.

Part Two
Certificate
Article 29

- (1) Each Specialist program student, who has completed the study program, is awarded an academic certificate.
- (2) The certificate is signed by the Dean of Faculty and the Rector.
- (3) The copy of the certificate is legalized by the Vice Dean for Academic, Research and Innovation.

Part Three
Transcript
Article 30

- (1) Each Specialist program student who has completed the study program is given the transcript of the academic achievement.
- (2) The academic transcript is a list containing the learning outcomes of all courses taken by students, the GPA during study program, the thesis title, and it can also contain the area of expertise/interests.
- (3) The transcript of the academic achievement is signed by the Dean of the Faculty and the Rector.

- (4) The copy of academic achievement transcript is legalized by the Vice Dean for Academic, Research and Innovation.

Part Four

Title

Article 31

- (1) Each Specialist program student who has completed the study program obtains degree and the right to bear the title in accordance with the field of science covered and listed in the certificate.
- (2) The title is awarded based on the applicable regulations.

Part Five

The Graduation Ceremony

Article 32

- (1) Graduates, those who have completed the study program, are obliged to be registered in an on-line platform by the faculty to join the graduation ceremony in the current period.
- (2) Graduation ceremony is held in accordance with the Academic Calendar.
- (3) Graduates who are able to attend the graduation ceremony are listed on the Rector's decree.
- (4) Graduates attending the graduation ceremony are awarded the certificate and the academic achievement transcript in accordance with the applicable regulations.

- (5) The delivery of the academic certificate and academic achievement transcript for the graduates as mentioned in paragraph (4) will be suspended if the accreditation of the study program has been expired.

CHAPTER XVII
TRANSITIONAL PROVISION
Article 33

- (1) The provisions contained in this Regulation is applied for the Specialist program students who are accepted as new students in the First Semester of the 2019/2020 academic period and afterward.
- (2) The Rector's Decree Number 1870/H4/P/2009 on the Academic Regulations of the Universitas Hasanuddin regarding the Specialist Program of Universitas Hasanuddin are also effective for students who are accepted as new students in the Second Semester of the 2018/2019 academic period and earlier.

CHAPTER XVIII
CLOSING
Article 34

- (1) Regulation and/or Decree of Rector of Unhas related to the implementation of Doctoral Program not in line with this Regulation of Rector shall be deemed null and void.
- (2) All matters that are not sufficiently regulated in this regulation will be regulated in the Regulation of Rector.

- (3) This regulation becomes effective from the date of its enactment any errors or inaccuracies found at a later date will be amended as necessary.
